David design

DOTS, design Mattias Stenberg

A soft and comfortable form. Together with David designs unique comfort seat with Pirelli bend pay for a modular system that brings a long lasting piece of furniture. To use solitary or as a never ending system .

T.table, design Pearson Lloyd (UK)

London based well reputed Pearson Lloyd got commisioned to make a collection of table that gives as little impact on the environment as possible. They took the brilliant decicion to use the excisting T- section as a base for this versatile range of tables and benches for out- and indoor use.

OPI, design Lars Hofsjö

A collection of tables, from the small sofatable to conference tables and bartables. All with the characteristic appearance in a so simple way with the assymetric stem. Plates in steel, solid wood, linoleum or whatever you prefer.

MARIGOLD , design Claesson Koivisto Rune

Marigold flower is also called the “herb of the sun”, representing passion and even creativity. The same that Claesson Koivisto Runes new lamp and table can be like for David design. In a innovative way it´s five shapes is used both for table base and wall- and pendant lamp. All in perfect harmony.

David design

PORTIA, design Superlab

Last year David design present designstudio Superlab and the armchair Portia. It has been a great succé and now it's time to introduce the next one - with wheels. This is a version that you still will use stackable.

NEWTON, design Bonpart

Maybe was newton wrong, especially when we have the first look at David designs new mirror Newton, a balance act. The talented young designduo Bonpart in Vienna has create this experience that conjures up with gravity. Available in two different sizes, 280 and 500mm, with bend in leather or textile.

LEAN, design Daniel Enoksson

To do a family of furniture us popular and David design saw the needs for some more versions of the comfortable and practical Lean chair. Designer Daniel Enoksson draw for an additional chair and armchair with four legs and at the same time it became a stool and a barstool. All with the characteristic features for creating subtle similarities between the products.

SKIFT LOUNGE, design Lars Hofsjö

Lars Hofsjö is well knowned for his design of furnitures with characteristic appearance and honest account of details. Skift armchair is since several year a great succes for David design and in Milan we introduce the Lounge version. A comfortable easy chair that have strong design personality together with the chairs.
