Pressrelease 2018-02-06

DAVID DESIGN CELEBRATE 30<sup>TH</sup> ANNIVERSARY AND SHOWS TRUE COLOR COLLECTION WITH 4 WELL KNOWNED AND 2 NEW DESIGNERS.

This year it is 30 year since one of Scandinavias most iconic furniture brand, David design, was born. 30 year of producing and distribute furniture, lightings and accessoirs from world leading designers. Pieces that today has been iconic at home and at work, restaurants, hotels and companies. The fact that we since start take care of people, environment and even economy is maybe even more important 2018. At Stockholm Furniture Fair 2018 we launch 15 new products for the world which shows Scandinavian production when it is at it's best.

Welcome to Stockholm Furniture Fair and stand **B01:15** and our Stockholm showroom at Rosenlundsgatan 38F.

**GOLIATH.** Design Florent Coirier (Fr)

A modular sofa with a lot of surprises. An continental design meet Scandinavian flexibility and smart solutions. The sofa system is adapted for todays lifestyle with integrated powerstation for computer and telephone and a hidden storage. Goliath is the first collaboration for Swedish David design with the french designer Florent Coirier.

**BAG.** Design Axel Bjurström.

A comfortable, moveable, easily placed seating pouf from the Stockholm based designer Axel Bjurström for David design. Bag is produced in fabric or leather and has always a beautiful handle in leather that makes Bag easy to move.

OTO LOUNGE and OTO LUNCH. Design Lars Hofj 

Lars Hofsj  wanted to design a wooden chair for David design that need to be lightweight and not to expensive to produce in Sweden. Oto is the result and a product were maximum of material will be used. A design were a structure in frame gives a lot of characteur. Oto is not only a chair, David design launch even an Lounge version!

SAN GREGORIO. Design Claesson Koivisto Rune.

Contemporary and beautiful in all its details. Have an extra look for the upholstering work. This easy chair and bench sofa from Claesson Koivisto Rune can be used in all surroundings from castle to compact home.

ONE AIR och ONE AIR CURVE

When you think about David design you often think flexibility. One is a modular sofa system that Lars Hofsj  designed for some year ago and now it is time for two more versions. An slightly more light version and a curved one that gives so many more possibilities for interior.

# David design

LOVEYOURSHELF. Design Studio Stockholm.

It's easy to fall in love with this piece of art. The look of Loveyourshelf from Swedish Studio Stockholm for David design is strange and different. And something you want. Use it as a room divider or as a shelf. A lovin shelf.

PORTIA. Design Superlab.

The stylish armchair Portia can be used for conference or as an estetic single piece. Swedish designcompany Superlab have a great look for details and an example of that is the special upholstery job in this chair.

PEDESTAL. Design Axel Bjurström.

A flower pedestal that is possible as an single with three different heights, or an version with 3 pedestals mounted in one base or the biggest, 12 pedestals in one base. Let the flower be important in your interior.

# David design

HAMMOCK TABLE. Design Axel Bjurström.  
The Hammock chair was introduced by David design 2015 and is an international success for designer Axel Bjurström. A new furniture in the serie is a table with table in leather or linoleum to match the chair perfect.

HAMMOCK POUF. Design Axel Bjurström.  
Hammock easy chair is frequently seen in hotels, companies and at home. Now will David design introduce a pouf that can be used together with the easy chair or as an extra place to sit. Design from Axel Bjurström and produced from an vegetable tanned leather from Swedish Målerås Läder in four colors.

ONLINE HIBACK och ONLINE POUF  
Last year David design introduce a new type of furniture, a workstation easy chair with integrated powerbox, lamp and table. This year David design introduce two new products in this Online class. An hiback version and a pouf.

You find David design and the brand new products at stand B01:15 and at the showroom Rosenlundsgatan 38F.
