David design

David design

Wildwood Collection

After more than 30 years of with our vision of the contemporary styled in design is one of the pioneers in the new Nordic style. As from the start w fair production in Sweden. A production that take care of environment, s people with response for economy. For us isn't sustainability just charact paper, it is David design lifestyle.

Today David design is an international brand with customers who want ic functional and sustainable furniture and design accessories. Some of the leading designers are cooperating with David design and the best shops representing the Swedish brand.

We hope that you will enjoy this presentation and look forward to bringir design into your home, office, restaurant, hotel or wherever you need the David design stands for. Welcome.
