Modular sofa system with thousands of possibilities. Starts from a seating section equipped with CSS, a unique Comfort experience and an opportunity to sit from all four sides because of the plan seat. It's a beginning in a system with socket or legs in two different heights 400 or 450 mm seat height. Deep Lounge backrest to be attached to the seat. A lot of sizes and shapes of modules and shelves. Proudly produced in Sweden!

Modult soffsystem med tusentals möjligheter. Börjar från en sits utrustad med CSS, en unik komfortupplevelse och en möjlighet att sitta från alla fyra sidor på grund av den plana sitsen. Valmöjlighet att välja mellan sockel eller ben i två olika höjder 400 eller 450 mm belastad sitthöjd. Djupt lounge ryggstöd som fästs på sitsen. Många storlekar och former av moduler och hyllor. Stolt producerat i Sverige!
