SHELF LAMP
Andreas Engesvik

Shade in Brass.

Base:
Oiled oak
White stained beech
Black stained beech

E14 socket for low energy
lamps.

Size:
Height 198 mm
Diameter shade 155 mm

A small lamp to be placed in the shelf where it spreads its light. The brass screen protects the light source so you don't get dazzled.

Proudly produced in Sweden!

En liten armatur för att placeras i hyllan där den sprider sitt ljus. Skärmen i mässing skyddar ljuskällan så man inte blir bländad..

Stolt producerat i Sverige!
