David design

2021 Collection

After more than 30 years of with our vision of the contemporary styled interior David design is one of the pioneers in the new Nordic style. As from the start we believe in a fair production in Sweden. A production that take care of environment, sustainability, people with response for economy. For us isn't sustainability just characters on a paper, it is David design lifestyle.

Today David design is an international brand with customers who want iconic, functional and sustainable furniture and design accessories. Some of the world's leading designers are cooperating with David design and the best shops are representing the Swedish brand.

We hope that you will enjoy this presentation and look forward to bringing David design into your home, office, restaurant, hotel or wherever you need the value that David design stands for. Welcome.
